

Please accept a Royal Invitation and
join the merry throng for

King's Birthday Weekend

at the Quaker Settlement

2 – 5 June 2023

Commencing on Friday at 6pm with feasting,
concluding on Monday with leftovers for lunch.

For the times they are a changing!

This may be the last time we gather for a Weekend under the auspices of colonial sovereignty. The plan therefore is to make this weekend a Royal Affair. Bring out your medieval garb if you have it, or your finery, and we will raise a farewell toast "To King's Birthday Work Weekend!"

As well as opportunities to work on the land we welcome helpers to be in the kitchen, play games, make music, and chill out.

Consider bringing your swimming togs for the Polar Plunge and your car for a deep clean. The two latter activities are fundraising for a Settlement Pool Paint later in the year.

We are asking that adults "Pay as you feel Led" (our PAL policy) to contribute towards your victuals and lodging.

Remember to bring your gumboots and old clothes. You may want to bring your own gardening gloves and tools. (Please name all your gear).

Bring musical instruments, poems and ideas to make merry.

On a sombre note, please stay home if you feel unwell. Pestilence and Plague are best avoided.
